# REWRITING THE CODE — 2024 Spring Recruiting Night

Are you seeking a summer internship or full-time role? Save the Date for our Virtual Spring Recruiting Night on Wednesday, January 24th, from 4-6 pm EST. This will be the perfect opportunity to connect with our employer partners looking to hire for technical roles!

You will meet directly with company recruiters in small group settings with up to 9 other RTC members. Each session is 20 minutes, and you'll have the opportunity to introduce yourself and ask questions about the roles. You will have the opportunity to join up to 6 company sessions. Your resume will be shared directly with the recruiter. Learn more about companies and their roles, and get a priority review of your application.

How To Participate

Our event will take place within teamRTC using the new office hours feature. New to office hours? Check out this quick tutorial:
